You can enjoy the beneficial effects of our thermal water in the indoor Rotunda, which also has an outdoor part where you can swim. By the wellness pool, there is a small indoor swimming pool and a pool for the little ones.

The sauna world, including three saunas (Finnish, bio, infrared), steam room and salt booth, Jacuzzi, leisure shower and cool dip pool, sea steam bath, oxygen therapy, BEMER magnetic therapy and different types of massage all contribute to an unrivalled relaxation experience.
